Competition Fees

Our Team Classes will be performing in a Dance Competition in mid-March. Participating classes will receive an email this month to confirm each dancer's participation in the Competition. This is necessary so that our teachers can choreograph routines accordingly. Every competition charges entry fees for each dancer per dance. We will be asking for a Deposit of 50% of the total competition fees. Fee amounts will be able to be seen on your commitment form as well as your portal.

The due date for this payment will be Friday, November 15th.

Competitions are optional, but we encourage all our dancers to participate as it is another opportunity to perform & learn.
